Franklin Mayor Ken Moore talks about Franklin's future and infrastructure needs. See the article online titled "Growth and Consequences" at

The Water Management Department enjoyed their **victory pizza** last week with Ken and I. You may remember (especially from their bragging and Mark Hilty's regular playing of their theme song "We are the Champions") they won the **holiday door decorating contest** in December. Here is a pic of them in front of their winning creation. Great job!

A great example of **partnering with our community**. Over the past few months the **Parks Department** has been upgrading the concession stand windows at Jim Warren Park, installing new exterior concession doors and windows. **Franklin Baseball** is paying for the installation of new glass windows for each. The total packages is around \$5,000 per concession stand which is a huge expense for either party. However, together the project is being completed. These new additions will add an additional layer of protection for vandalism and energy efficiency for the concessions stands during the

different seasons they are open.

Reminder, Tickets still available for the spaghetti supper benefitting **“Emma’s Kidney and Katelyn’s Love.”** Brandi Johnson in MIT and Sarah Roop in Engineering are selling the tickets. The dinner will take place Saturday, March 17, 4-9pm at the First Cumberland Presbyterian Church-Family Life Center at 1106 Nashville Hwy, Columbia TN.

Milissa Reiersen of the Communication Division of Admin is this week’s winner for the Mayor’s parking space. Milissa was nominated by Kevin Comstock. Kevin said, *“I would like to nominate the one individual who does more to make us look good than any other person in the City. Before her arrival it was difficult to find good stories about the work being performed daily by City Staff. Milissa has changed all that by writing and promoting the everyday successes to not only staff but to the rest of the world. It’s easy to look good when Milissa is telling the story. Thanks Milissa.....I know that you are the “good job person”, but this should be one of those times where you accept the spotlight yourself. It’s always a pleasure to work with you!”* **Milissa can begin parking in the Mayor’s spot Monday February 27. Nominate anyone you see doing a good job at agoodjob@franklintn.gov .**

Have a great weekend. Thanks for all you do!
